

SOLIDARIOS 2020

31-03-2020

May the grace and peace of our Lord Jesus Christ be with you!

Dear Brother or Sister,

Lent has always been the time of deep prayer and generosity. We are invited to enter the desert to meet, in the midst of silence, with our Heavenly Father. The whole world groans in pain because of COVID-19. Our entire society is in danger, but there are always some who are at greater risk than others, especially children. Today we approach you, with great respect and being aware of your good will to always help the needy, to ask for your collaboration.

The Nuestra Señora del Carmen Parish, the Municipal Mayor's Office, the Municipal Council, the National Police, the Hospital, the Civil Defense and the Ombudsman, we have created a group called: SOLIDARIOS 2020 (SOLIDARITY 2020) in order to be the instrument and means by which you can help a child.

We need you to donate a plate of ready-made food. The idea is that you cook a little more at home and give a poor child a lunch. We will be accepting lunches from Thursday, April 2 onwards. The lunch collection center will be at the Pastoral House (Parish office) between 11:00 am and 12:00 noon.
